

from Miss Gowing: message

Hello year 9 I am back again,

gutted to say some of us should have been on an aeroplane.

Back to business with the virtual learning,

maybe take it outside but make sure you are not burning.

You have all been set an important task,

choosing you GCSE options, if your unsure email and ask.

I'm sure you are all missing your family and friends,

but follow the rules and the sooner this will end.

Rhyming aside, I wish you all well, I actually cant wait to hear the school

I will get to see all your lovely faces and you may be able to complete the sports day races.

Remember!! Your wellness is key and, that is made up of all three...

Mr Benbow isn't one of our form tutors but he has asked for a little mentiontypically we all know what he's like.

He has set up a youtube channel whereby there are some cartoons and easy to follow illustrations. The link is www.youtube.com/c/ paulben-

Prayer of the week:

and save life.

At this time of crisis,

and strength for those

We ask for your blessing

working tirelessly to prote

Home Learning Updates:

I have been emailed by Miss Flood to say that she has set up an Instagram account for MFL if you could please have a look and a follow for handy tips and hints with your languages @AHCCMFL.

PE have set up a youtube channel, just type in youtube Ahcc PE and you will see Mr Lees pop up. There will be skills lessons that you will hopefully be able to complete at home on your own or with family members for the summer sports you would be doing if we were at school.

Yr 9	Mon	Tue	Wed	Thur	Fri
1	RECC	MAT	SCI	MAT	CATCH UP/ computing/ challenge/ ADT/PA
2	PE	SCI	ENG	RECC	
3	ENG	MFL	HIS	GEO	

Your new timetable is 'to the left, to the left —who sang this

Mind

Wellness

Body

We pray especially for vulnerable children and young people who are at greater risk during this time: those who are not safe at home; those who may be plunged

Show My Homework:

There have been a few changes to what and how the work being set this half term, hopefully this will be easier for you a to manage.

The work should be set in the morning or later afternoon the day prior to it being set.

You will only be set 3 subjects of work per day, you are still excomplete the work set so that pected to spend around 3 hours on your work per day.

> You should then get a week to complete that piece of work. Fridays you will not be set any new work, it will be a catch up day for you for that week and a time to try and complete 1 or more of the school challenges.

alone. Draw near to all who suffer in mind, body or spirit.

into even greater poverty; those whose fragile mental health may worsen; those who feel abandoned and

It's a sunny week, you aren't going to want to be inside.

Set 3 1 hour slots a day to you know when you

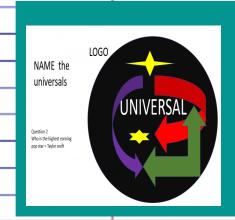

need to do work and sunshine! when you can enjoy those rays!

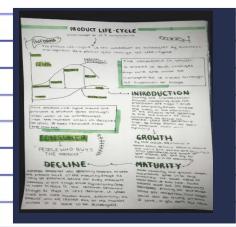

Subject Achievements

Subject: Music

Subject Product design

This is Bradley's well designed logo for his own record label. Well done A fantastic piece of work from John about a products life cycle.

Subject: Geography

Subject Food technology

Some fantastic makings of volcanoes and making them erupt

Some more amazing Easter cakes from the year

group...mmmm cake

Star of the week

JACK - He is the winner of the Easter egg competition.

Check out the All Hallows Catholic College weekly challenge and have a go!

If you've managed to complete all or any of the challenges please email evidence in to: chal-

lengeAHCC@allhallows.org.uk

Please find the challenges on the school website under the 'working from home' link.

This week there is an interesting History theme with different activities to get involved in... take up the challenge and involve your family

PE also have their own challenges just head over to @ahccpe on Instagram to view and submit via a direct message.

There have been LOADS of AMAZ-ING things done around the world where people have risen to a challenge from running 5k to walking 100 laps at the age of 100,. Be a part of it and see what you can do.
