

# VI Form

## EPQ

### Extended Project Qualification

EPQ is designed to take you beyond the normal curriculum and prepare you for university life. Lots of your year group have decided to undertake an EPQ this year, starting during lockdown. Here is an example of the topics that they are undertaking:

Charlotte in Y12:

“I'd like to focus in on the 4 hour waiting time target that was brought in by the labour government and whether this was successful or not and what is needed to be done to help decrease the amount of people left waiting further. I'd like to gain my information on the topic though research and interviews of different people from different trusts that I know from physician associates on the front line in A&E experiencing its pressures to a district general senior managers to give my essay a rounded view.”

More samples of what students will be focusing on next week.

## Prayer

**Lord,**

Please protect our brothers and sisters around the world who are being persecuted for their faith, especially those who are active in sharing the gospel. Let your peace reign on those regions where your children are not permitted the freedom to live out their faith in safety.

As Saints Peter and Paul steered the early Church by Your Power and were leaders who modelled and strengthened the faith of the Church. Therefore I ask Saints Peter and Paul to pray for my faith to grow stronger and stronger.

Amen

Saint Oscar Romero  
Pray for us.

## UCAT

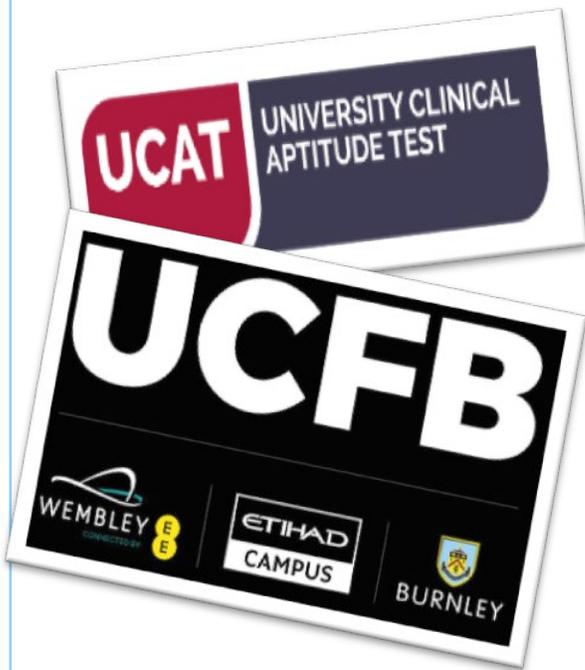

Most UK universities require applicants to sit an admissions test in addition to their other entry requirements. The UCAT is required by the majority of UK universities and must be sat in the summer of 2020 by students who want to apply to member

universities for entry in 2021.

Click [here](#) for more information on sitting this exam from home through UCAT online.

## University Campus Football Business

UCFB are running various remote learning experiences for students considering a career in the football and sport industry. You will be able to see details of the events by clicking on the link here - [UCFB](#)

## Message from Mr Parke

This week we learn about tolerance and the importance of accepting others. This is something that has to be continuously worked on, requiring active participation by all of us. Dialogue is important to the continued acceptance of others, as it is only by communicating that we will be able to understand the culture, religion, language and tradition of people around us.

When I grew up in Northern Ireland during the 80's and 90's, tolerance was sorely lacking. It is only now that green shoots are appearing and helping a society that was literally killing each other move towards something that can function as a respectful and tolerant place for all its members.

The image shows the "Hands across the divide" statue at one end of Craigavon bridge in Derry., the symbolism of which is pretty obvious.

## Year 12

Y12	Mon	Tue	Wed	Thur	Fri
AM	A	B	C	D	Unitlog · careers MOOCs /EPQ UCAS (From 21/5)
PM	D	C	B	A	Mental Health · see blog /PE/ Challenges
