A message from Mr Brumfitt:

The first week of home learning is DONE! What a learning experience it has been for both yourselves at home and us teachers! I just want to say well done for all your hard-work this week. I've seen some wonderful pieces of work that you've sent through – Please keep this up every week and share what is going on at home – The most important thing we can do in a time like this is to keep in contact.

As teachers, we are having regular video meetings – Some thing I learnt was that you can set the background to a different image – So in our science meeting this week, I video called from the Bahamas...

Where will I be next week?? – Suggestions welcome!!

Prayer of the week:

Home Learning Updates:

As we charter through these unknown territories of learning at home, you should be accessing show my homework daily – You can message your class teacher by adding a comment and they will be able to respond back to you. If you are having any trouble downloading/uploading work please message your teacher!

Please make sure that you are not spending hours and hours on each lesson, we realistically expect year 7 to do 2-3 hours of school work a day. If something is taking too long, please make sure you message your teacher and let them know where you are struggling—We are at the other end of the computer screen wanting to help!

Tip of
the week

Show My Homework:

Please read each task set carefully—Something's which are set on show my homework may just be suggesting you follow a school Instagram account or a helpful tip— Don't panic thinking you have lots of lessons in one day!

Lord,

Sometimes, Monday can be a hard day. Dreaded on Sunday and fled from on a Friday. Yet why Lord as Monday could be the beginning of a work adventure, the new challenge of a week filled with potential?

So I pray you would help me to embrace this day. Show me the joy of the embrace with loved ones, not the tensions and troubles.

Amen.

Subject Achievements

Subject: **Food Technology** Subject: **Art**

Amazing Hedgehog bread buns by Emily in 7N!

Amazing African art work by Martha—I know this has already made the Art Instagram page!

Subject: **English**

Mathilda living up to the Roald Dahl character who shares her name, she's read 6 books this week!!

Subject: **Science**

A great Nerve Cell model by Phoebe in 7A!

Star of the week

Ericka emailed in her glowing star that Mr. Beesley had given to every student at the start of the year with a just this simple message...

'Don't forget to shine'

In these uncertain times I think this is vital more than ever.

AHCC Challenge

Check out the All Hallows Catholic College weekly challenge and have a go! I am expecting Year 7 to be the BEST at these!!

If you've managed to complete all or any of the challenge please email evidence in to:

challengeAHCC@allhallows.org.uk

This week's challenges are:

1. Design the best sandwich
2. Keep your distance challenge
3. 5 in a row challenge
4. Make 100 maths challenge
